LB 363, 146, 18A

difficult for any family to live on \$424 a month. I know with our salary here many of us could not live on \$400 a month and we would be scrounging for every penny to buy food and pay the sales tax on utilities. Every year I have introduced a bill to eliminate the sales tax on utilities but unfortunately no bill has ever reached the floor. The sales tax on food as far as I am concerned is immoral and should be eliminated. Thank you very much.

SENATOR CLARK: Senator Lowell Johnson, do you wish to adjourn us? We have some things to read in first.

CLERK: Very quickly, Senator. I have an Attorney General's opinion addressed to Senator Pirsch regarding LB 146.

A new A bill, Mr. President, 18A (read title for first time. See page 978, Legislative Journal.)

SENATOR CLARK: Senator Lowell Johnson.

SENATOR L. JOHNSON: Mr. President, members of the Legislature, I move that this 45th Day of the Legislature adjourn until nine o'clock tomorrow morning.

SENATOR CLARK: You heard the motion. All those in favor say aye, opposed. We are adjourned until nine o'clock tomorrow morning.
